

ORANGE IN THE SPRING – NOVEMBER 16-19, 2021

Orange in the middle west of NSW is renowned for its cool-climate wine production, good eating and beautiful region. We are organising a trip there THIS November to replace cancelled trip last year. Clean air. Lovely wine. Good fellowship.

DATE Tuesday 16-19 November. 3 nights.

TRANSPORT Own cars to Orange. We will use local Coach to tour around the region on the two full days there. Using our own transport to get to Orange gives us the opportunity to spend more days privately if we wish, plus gives us the flexibility of not requiring large min. number for Coach from Sydney.

ACCOMMODATION: Mercure Templars Mill motel in the middle of town. Good quality. Just metres walk to restaurants, coffee, fashion, hardware shops.

ACTIVITIES: Touring the attractions of surrounding area, including tasting and eating at wineries

PRICING: *Yet to be determined. Will depend on numbers going.*

Due to demand in Country areas, the accommodation costs will be greater than last year.

Final outing costs, including accommodation and proposed itinerary, will be advised closer to the time prior to any payment required from you.
