

**PROBUS NEUTRAL BAY**  
**BADGERYS CREEK AIRPORT WHOLE DAY TOUR**  
**TUE 23 AUG 2022**

*Please join us for an exciting day of excursion!*

The Western Sydney International Airport Experience Centre at Badgerys Creek is now open. Depart for a journey where we will discover how Western Sydney International will help shape the future of Western Sydney. At the Experience Centre, located on the airport site, we will be taken through a series of interactive stop overs where we will learn about the region and its people and understand the opportunities that will come from Australia's first smart airport. We will be immersed in the experience as we step into the airport control room and arrive at our final destination, the airport site. We will have a clear view of the future airfield and be able to see the airport come to life.

The tour is combined with a visit to Warragamba Dam (our morning tea stop) where we can marvel at this engineering masterpiece as it nestles quietly in native bushland. There are three viewing platforms at the Warragamba Dam Visitor Centre which offer excellent vistas of the upstream dam wall and Lake Burragorang.

The included lunch will be at the Gregory Hills Tavern. We will finish the tour with a stroll through Mt Annan Botanical Gardens on the way back to Sydney.
