

## Probus 250 Club Outing Friday 25 October

### Watson on the Rocks

Watsons Bay is a landmark on the eastern edge of Sydney Harbor and claims to be Australia's oldest fishing village offering white sandy beaches, coastal walks with parks and plenty of restaurants and boutiques. Doyles (since 1882) has a new Garden Bar with a large open air al fresco dining area with spectacular sea-side views or try their take-away menu and have a picnic in the park.

We will meet at Circular Quay (F 9) at 9.15am and catch the Watsons Bay Ferry at 9.45am arriving at our destination by 10.08am. Return travel will be depending on everyone's choice of time and tide.

What to bring. Sensible walking clothes and comfortable shoes, a sun hat and jacket for the weather. Don't forget your Opal Card and charge card for lunch.
