## FROM THE PRESIDENT

### Dear Fellow Members, Partners and Guests

As we advance in age and wisdom many members enjoy travel while some sadly face health challenges. During the past week my wife, Trisha, was a guest of Royal North Shore Hospital where she experienced the best of total health care. Ancillary and nursing staff, doctors and specialists showed kindness, respect and

professionalism. One experience stood out. While in the lift leaving the hospital, a Chinese patient with absolutely no English but aided by Dr Google's translation app and an understanding carer was able to navigate what is at the best of times a challenging experience. It is said, 'Kindness is the language blind people can see and deaf people hear.' In Probus we strive for fun, friendship and fellowship, the latter translating as a community of interest and feeling. To have been successful and still growing after forty years we have maintained interest, feeling and respect for our members, partners and guests. Again we salute all those who have fostered such a spirit in our club.

We hope this dignity and decorum is maintained at our Ambrose Competition golf day at nearby Cammeray Golf Club on Thursday 21 November commencing 12 noon. It is a team game and should be fun.

For those who wish to compare our imminent Light Rail with Light Rail of yesteryear this month's trip to the Tramway Museum will be nostalgic and enlightening. Should be a blast from the past.

The Christmas Lunch at the Manly Golf Club on December 12 is a must. Be assured that if you have mobility problems they have an inclinator at the front of the club. Called in there to check out this facility and was impressed with the friendly helpful staff.

**Cheers, Kevin Fitzpatrick President**
